## ON SITE PARKING:

On-site parking is permit control or Pay & Display with regular parking warden patrols. All visitors MUST only park in the WHITE Pay & Display bays and pay the appropriate parking fee. There are plenty of WHITE Pay & Display parking bays on levels 1 & 2 of the multi-storey car park. Do not park on the ground level of the multi-storey car park. There is another small Pay & Display car park opposite the multi-storey and there are a small number of WHITE bays just outside Buildings 2 & 3. Please ensure you bring sufficient change with you as we do not provide change. If you park in any other coloured bay without an appropriate permit you will get a Parking Charge Notice. Skills Training Centre Ltd does not accept any responsibility for PCN's received by anyone.
